

Overview

Thank you for choosing Prairie Grove Telephone Company as your Internet Service Provider. We strive to make our services top notch so that your Internet experience can be enjoyable and fun. This guide will assist you in the installation of your new PGTC.Com account. It will also inform you of its various features and how to use them.

Account Features:

- ?? Up To 56 Kbps Connect Speeds ***
- ?? 5 MB of Personal Account Space
- ?? Multiple E-Mail Accounts
- ?? The ability to change your password and check your monthly usage online.

*** Connect speeds are dependant on location, modem quality, and other factors. Because of FCC regulations, the fastest possible connect speed is 53,300 Kbps.
